

Winter Soccer Academy

- ⚽ Keep your soccer skills sharp this winter by joining Skills First Soccer's Winter Academy.
- ⚽ All practices follow the **1000 touch promise**® which provides players with the opportunity to get 1000 touches on the ball in 90 minutes.
- ⚽ Our academy focuses on enhancing skill, confidence & character in every player. We guarantee that by the end of the program you will be more comfortable on the ball, and better equipped to handle the pressures of a real game environment.
